

Who Am I?

Identity

- 1) I am a child of Adam.
 - » Condition: I have been born.
 - » Through my birth to children of Adam.
 - » As a matter of biological ancestry.

- 2) I am a child of God.
 - » Condition: I have been born again.
 - » Through my union with the second Adam, Jesus.
 - » As a matter of spiritual ancestry.

Implications

In Adam, all humans can say...

- 1) I am a creature, made in the image of God, and he is happy with what he made.

- 2) I am a sinner, born in sin and wilfully sinning, and rightly under God's wrath.

In Christ, all believers can say...

- 3) I am a child of God, uniquely loved and personally reconciled through the cross.
